238 W. Taft Avenue  
Orange, CA 92865

Dear Dave,

On behalf of the entire L'anza team, I want to thank you and your team for the excellent job you did in the construction of our new offices. The electric system, data system and telephone system was a lot to depend on for one company. We are very pleased with our decision and the result. We would be happy to recommend your company to anyone needing your services.

In addition, please extend a special "Thank You" to Chip and Chad for their attention to detail and their professionalism.

Again, it was a pleasure.

Sincerely,

L'ANZA INTERNATIONAL, INC.

Dana W. Story  
Executive Vice President
